The office action was not received by the undersigned attorney and, therefore, a reply to the office action is not possible at this time. A copy of the Office Action is respectfully requested.

Also submitted herewith is the petition fee as set forth in 37 CFR 1.17m.

The entire delay in filing the petition to revive was unintentional.

It appears that the office action was mailed to the undersigned attorney's former mailing address at 342 Madison Avenue, Suite 1921, New York NY 10173.

The Examiner has indicated in the Notice of Abandonment that "Appears that there is no forwarding address or phone number". However, even though the inventor's declaration submitted in this application still had the old address, the new address at 317 Madison Avenue, Suite 910, New York NY 10017, was included in the transmittal letter, in the Information Disclosure Statement and the Preliminary Amendment. Also, the undersigned attorney's telephone number, which did not change, was included in the declaration, the Information Disclosure Statement and the Preliminary Amendment.

In this regard, it is also respectfully pointed out that the notice of acceptance dated May 22, 2002, was already addressed to the new address.

Finally, a notification of change of address was submitted on April 15, 2004.

Respectfully submitted,
FRIEDRICH KUEFFNER
